SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §§ 1.97-1.99, Applicants hereby submit the enclosed PTO Form 1449. This Information Disclosure Statement is in compliance with the continuing duty of candor as set forth in 37 C.F.R. § 1.56.

In the judgment of the undersigned, portions of the listed references may be material to the Examiner's consideration of the presently pending claims. However, the references have not been reviewed in sufficient detail to make any other representation and, in particular, no representation is intended as to the relative importance of any portion of the references. This statement is not a representation that the listed references have an effective date early enough to be "prior art" within the meaning of 35 U.S.C. § 102 or § 103.

No fee is believed to be due for the filing of this Information Disclosure Statement since it is being filed before the mailing of a First Office Action.

German Patent No. DE 39 10 294 is believed to be relevant to the extent that it discloses an article of footwear having two (2) toe pockets. A copy of an International Search Report received in a counterpart foreign application is enclosed for the Examiner's convenience.

Please apply any charges or credits to Deposit Account No. 19-0733.
